November speaker, Victorian Christmas, Annual General Meeting with Election of Officers and SHOW and TELL, plus February speaker.

November 29: Slavery in Canada by Gerry Rodney. Mr Rodney told us a brief history of slavery from the time of the Egyptians, Greeks, Romans, Arabs, West Africans and in Europe, England and North America.

Canada had been a slave society for almost 200 years. About 1500 black slaves were brought here under the French regime in New France. Then after the American Revolution another 2,000 came north with their United Empire Loyalists, fortunately their lives were a mild form of bondage, far less brutal than life on a sugar plantation. In the U.S.A. in 1926, a week of celebration to promote the contributions of black Americans to American life was instituted and fifty years later, the week officially became a month.

In December 1995 a motion was introduced in Parliament to recognize February as black history month and it received unanimous consent by all parties.

December 04: Our second Victorian Christmas was a resounding success, thanks to the skill and creativeness of Carla Kuchard, Melanie Battell and Cathy Mellor. Also a special thanks to the Seniors Centre choir for their rousing renditions of Christmas songs, Bob Sagness for his Christmas reading and to the many members who brought food for the Christmas treats table. Thanks everyone. Let's have a third one next year!

January 31: At our Annual General Meeting the new Executive Committee for 2011, were declared by acclamation and they are as follows:

Chair: Randy Barnes
 Past President: Dianne Barnes
 Treasurer: Carla Ann Kuchard
 Secretary: Margaret Lamb and Melanie Battell
 Directors: Alun Hughes
 Cathy Ker
 Heather McCafferty-Leger
 Bob Sagness
 Albert Secord
 Bob Upper

We again enjoyed numerous Show and Tell items brought in by; Cathy Mellor, David Griffiths, Alun Hughes, Neil Walker, Albert Secord, Cathy Ker, John Kees, Brenda Fox, David Hemmings, John Nogas, Randy Barnes. .

February 28: Roger Bradshaw wowed us with his power point presentation and photographs of the Welland canals. As he says in his book “The Welland Canals are our history and heritage. We have a hidden jewel in our midst, take time to discover and rediscover these surviving historical treasures.” His book with maps, and photos old and new, illustrates the remnants of the first three Historic Welland Canals and would make an ideal gift for any Niagara resident.

Gentle Thoughts for today...

The older you get, the tougher it is to lose weight, by then your body and your fat have gotten to be really good friends.

The easiest way to find something lost is to buy a replacement.

He who hesitates is probably right.

Have you noticed the Roman Numerals for forty are XL.

If you can smile when things go wrong, you have someone to blame.

The sole purpose of a child's middle name is so he can tell when he's really in trouble.

Aging: Eventually you reach a point when you stop lying about your age and start bragging about it.

Some people try to turn back their odometers. Not me, I want people to know 'why' I look this way. I've travelled a long way and some of the roads weren't paved.

Lord, Keep your arm around my shoulder and your hand over my mouth.

NEW MEMBERSHIP LIST

After working diligently all morning on Saturday, March 19, and then phoning members over the weekend, our membership secretary, Cathy Ker and her committee have purged our membership list and have done a complete update with all the latest addresses, postal codes and phone numbers. This year we are adding e-mail addresses to the list and ask each member who has an address to please give it to Cathy to be included in the new list, a copy of which will be available for everyone next month.
